

TRYSER TAKES CROWN SWEEP IN WEIGHT FOR AGE STAKES AT BALTIMORE

Every Little Putting Green Has 450,000 Seeds

BLACK COLT LUCKY

HOW EVENT NO. 3

Listless Ride by Fator on Little Chief Enables Him to Score.

PRESENT CUP TO OWNER

Stewards Honor J. Lawrence Replogle When His Colors Flash Home in Front.

Special Dispatch to THE NEW YORK HERALD.
BALTIMORE, Nov. 9.—Tryser, the black four-year-old colt which won races for the Westmont Stable, proved himself one of the great heroes of Maryland's greatest race meeting today when he carried off the final part of the Pimlico Serial weight for age race, over the mile and an eighth distance, and made a clean sweep of the series. Little Chief, Harry P. Sinclair's three-year-old colt which raced him to a neck in Part No. 2 last Friday duplicated that effort today. In the opinion of many horsemen he would have broken Tryser's string today under a more energetic rider from Laverne Fator. Hephiastus was a distant third, six lengths back and showing the way by a neck to Polly Anna, the only other starter.

J. Lawrence Replogle, whose nom the course is the Westmont stable, came over from Washington in time to witness the victory of the colt for which he paid Harry Payne Whitney \$30,000 during the Saratoga meeting last August, and which has proved himself a rare bargain since. The Maryland Jockey Club rose to the occasion when Tryser took part No. 3 by digging up a beautiful silver trophy which was presented to Trainer Scott Harlan in the stewards' stand and later handed by Mr. Replogle at the clubhouse enclosure.

Luke, who had ridden Tryser in Parts 1 and 2, evidently found the weather too cool for racing and was among the missing when checking time arrived, so that Frank Keogh was substituted. He was a wise choice. Keogh sent Tryser to the lead and rated him at an even gait on the lead throughout.

Tryser Tired at End.

The fractional time for the first mile, 23.4-5, 48, 1:13 and the mile in 1:29, found Tryser in condition to go a bit further than he has ever shown an inclination to do. He was in the lead in the final stretch in 1:52 1-5, an extremely tired horse. Fator kept Little Chief within striking distance of the race to the final eighth, evidently under the impression that Tryser must come back, as he always had.

He only hustled his mount through the last forty yards when he swept to the lead and won by a neck. Tryser won Part No. 1 over the six furlong distance on Wednesday, November 1, two days later took Part No. 2 over the same distance. It is the first time in the history of the event that any horse has ever accounted for all three parts.

The racing was generally spirited and some surprises developed over from recent rain.

Agassus, a shifty three-year-old colt from the Montfort Jones stable, registered the first success of the meeting for his Oklahoma breeder in Annapolis high weight stakes when he got up in the last stride to nose out Big Heart, with the poorly ridden Hildur, third. Agassus paid the substantial return of \$300 for the \$100 stake.

A division of the Montfort Jones string has been racing in Kentucky arrived at Bowie yesterday for participation in the meeting which will open there on November 15.

Rockminster for Bowie.

Among them were Rockminster, Fair Phantom, Miss Joy, Miss Minerva, The Clown, Dan O'Sullivan, Kentucky, Kousa, Furf Rider and Resting Time, Out Out and Pegagus, which have represented the stable's colors here, will join them upon the arrival of Trainer Ray Cooper from Kentucky.

Twenty-four juveniles have been named to start in the \$100,000 Walden stakes over the mile distance, to be run on November 15. The narrow width of the track it may be necessary to start them in two lines. Sally's Alley has been named, but was considered a doubtful starter by the track officials. Her owner is expected to arrive during the morning, when a final decision will be made. Martinale and Dunlin have drawn positions which will require their breaking from the outer end of the race track, so that they will be greatly handicapped.

Cleveland Gopher Victor in Final at Pinehurst.

Special Dispatch to THE NEW YORK HERALD.
PINEHURST, N. C., Nov. 9.—The final contest in the annual autumn tournament played at Pinehurst today resulted in a victory for Carl A. Lohmann of the Cleveland Country Club, who won by 4 and 3 from Howard G. Phillips of Yonkers and Pinehurst. Lohmann made the longest hole in the match and held it to the end.

Rev. T. A. Cheatham of Pittsburgh won the Governor's trophy by defeating Charles S. Thomas of Youngstown 3 and 2 in the final of the second division. The third division trophy went to R. H. Wiliam of Montclair. The final results:

FIRST EIGHT—C. A. Lohmann, Cleveland, defeated H. G. Phillips of Montclair, 4 and 3.
SECOND EIGHT—T. A. Cheatham, Pittsburgh, defeated C. S. Thomas, Youngstown, 3 and 2.
THIRD EIGHT—E. H. Wiliam, Montclair, defeated W. P. Thompson, Youngstown, 3 and 2.

Swarthmore Wins at Soccer.

Special Dispatch to THE NEW YORK HERALD.
SWARTHMORE, Pa., Nov. 9.—Swarthmore College soccer team today defeated a University of Pennsylvania eleven in Pennsylvania State League match, by 3 to 0. Hack scored two goals and only the other.

Babe Reports to Yanks Sporting Bandaged Paw

BABE RUTH, wearing a right hand, reported at the Yankee offices yesterday and indicated in a little chat with Col. T. L. Huston and newspapermen. It was the Babe's first appearance at the headquarters since his Western barnstorming trip and the burden of his conversation concerned the intricacies of post-season touring. The ex-King of Swat looked to be in good condition with the exception of his hand. He bruised the valuable paw several days ago and opened up a sore which will leave for his farm at Sudbury, Mass., next Tuesday, where he will lead the simple life until the official training season begins. Incidentally he will do some work on his own account to take off a little weight and get the jump on his teammates. He weighed 215 pounds yesterday.

AMATEURS SCORE MANY KNOCKOUTS

Three Contests End Abruptly in Featherweight Class

N. Y. A. C. Ring.

One round knockouts were numerous at the preliminaries of the New York Athletic Club's A. A. U. boxing tournament last night in the Fifty-ninth street clubhouse. The proceeds of the bouts of last night and to-morrow night, when the finals and several intercity contests with Philadelphia and Pittsburgh boxers will be decided, will be turned over for the benefit of disabled soldiers by the New York A. C. Post of the American Legion.

The boys in the 126 pound class settled their bouts quickly. In the first round Eddie Meredith of the Y. M. C. A. hooked a short right to the jaw of P. McAndrews, an unattached lad, after two minutes of the opening session. The referee quickly tried to improve on Meredith's record. Johnny Durkin of the O'Connell A. A. walked into a right punched by Louis Albert, unattached, in one minute and thirty seconds. Eddie, who had ridden Tryser in Parts 1 and 2, evidently found the weather too cool for racing and was among the missing when checking time arrived, so that Frank Keogh was substituted. He was a wise choice. Keogh sent Tryser to the lead and rated him at an even gait on the lead throughout.

In the 145 pound class Ed Sorenson of the Bronx A. C. met a clubmate, Paul McNeil. They both packed a terrific punch. Sorenson went down for a short count in the first, and McNeil hit the canvas on his head twice in the second stanza. The last time he stayed down. The summary:

SWINGS ON BENNY

Inquires Why He Cannot Have Bout to Decision With Champion.

By CHARLES F. MATHISON.

Johnny Dundee, who has been resting for several weeks, looks as big as a watermelon. Now he can even swing get down to the featherweight limit is a mystery. It is possible that the holder of the featherweight and junior lightweight titles intends to reduce his weight. This is likely because he is eager to get some action in the lightweight class, and by way of gentle exercise he would be glad of a match with Henry Leonard. In fact Dundee is bent on winning the lightweight title, after which he doubtless would begin to build up until such time as he is heavy enough to meet Graham and Dempsey for the championships.

In explaining his position Dundee writes: "I am beginning to believe that Billy Gibson is the best manager in the country. His refusal to permit Henry Leonard to meet me in a bout for the title proves this. Boxing Leonard is just like an ordinary occurrence with me. I have fought him many times in decision battles and his consent to meet me for the championship would delight me. I stand ready to post a forfeit to box him any time the crowd, and now I'm gunning for the champion."

After several days of idleness the boxer will get into action again tonight, when two clubs will open their doors. Charlie Beecher will be the chief performer at the Pioneer S. C., and will be opposed by Johnny Coney. Coney is a vigorous fighter, but he will have his trouble trying to keep his opponent on the way of Beecher's left hand. The chances are excellent that Charlie Izzo, a Coney Island flyweight, who hits like a middleweight and fights like a wildcat, will furnish the chief attraction. He is to meet a fellow Faecista named Johnny Rizzo in a six round encounter, and it should be worth seeing. Mr. Izzo meet Mr. Rizzo.

The O'Grady family of fighters, James, middleweight; Packey, featherweight, and Joe, lightweight, will occupy the spotlight at the Rink S. C. in Brooklyn to-night. Andy Palmer, one of the few cowboys not exhibiting at the Rodeo in Madison Square Garden, will try to subdue Jimmy O'Grady without the aid of spurs or a lariat, and Billy Brown will mix it with Packey O'Grady. Joe O'Grady is paired with Sid Wells. The O'Grady Flambeau and Marching Association will attend in a body.

Select Horse Show Judges.

CHICAGO, Nov. 9.—William H. Wanamaker, Jr., of Philadelphia and Walter H. Henley of Philadelphia, L. I. will be the judges of the national classes at the International Horse Show here December 2 to 9.

Donovan Stops Cooper.

Young Mike Donovan last night knocked out Ray Cooper in the third round of what was to have been an eight round contest in the 102d Medical Armory. Bobby O'Neill got the decision over Danny Marco in an eight round contest. Kid Nash won by knocking out Danny Butts in another eight round.

Curtin Defeats Friedman.

DONOVAN, Nov. 9.—Irish Johnny Curtin of Jersey City won the referee's decision over Abe Friedman last night at the National A. C. of Marlville, where the boys boxed. Curtin had the third round of the going over three-quarters of the route. It was the judges of the national classes at the International Horse Show here December 2 to 9.

Eneland Will Not Allow Siki-Bckett Bout to Go On.

LONDON, Nov. 9. (Associated Press).—The Home Office today intimated to the promoters of the "Batting Siki-Joe Bckett fight, scheduled for December 7 that the contest would not be allowed to take place. The articles of agreement between Siki and Bckett call for a twenty round contest for the heavyweight championship of Europe, to be staged at Alibi Hall.

The authorities state that the bout will not be allowed in either that auditorium or "any other place in the United Kingdom, holding the license for boxing contests between men of color and white men the temperaments of the contestants are not comparable, and, moreover, all sorts of passions are aroused."

As a precedent the officials point to the action of the crown law officers in 1911, when they intervened in the contemplated match between Jack Johnson and Bombardier Wells.

PARIS, Nov. 9.—The French Boxing Federation today suspended Batting Siki, the Senegalese fighter, for three months for his conduct at the Premier. Siki, who fought last night, when he struck Premier's manager.

The subject was under discussion by the Federation for a long time and it was finally decided to permit Siki to meet Bckett in the fight scheduled for December 7 at London, articles for this match having been signed before the incident for which he is penalized.

Rodeo Promoter Arrested.

A summons was yesterday served on T. J. McLaughlin, promoter of the cowboy show now playing in Madison Square Garden, by Police Inspector William A. In the bakline tournament in the quarters of the house, Siki faced the menace for a moment and then made a dive for the underground dressing rooms. A rumor was started that he was searching for a gun, which made the crowd wilder than ever. But the police reached the excited negro first and spirited him away.

From the ring an announcement was made that the boxing promotion would take up the matter of Siki's conduct, which has been gradually growing more obnoxious since his victory over Carver. A motion will be made for the permanent disqualification of Siki, which would prevent him fighting under the rules of the federation.

Only about a fortnight ago Siki tried to provoke racial trouble by demanding drinks at the New York Bar and other American resorts. Both the *Intranseigent* and the *Liberte* call Siki a savage, the latter adding that he is not fit to hold the championship.
